

BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Enclosed with this **BUILDER'S LIMITED WARRANTY**, is a Builder's Limited Warranty Coverage Validation Form. The Builder's Limited Warranty Coverage Validation Form provides the dates on which the specific warranty coverage periods begin and expire. It is important that this form is retained with the **BUILDER'S LIMITED WARRANTY**.

This **BUILDER'S LIMITED WARRANTY** does not cover **CONSEQUENTIAL DAMAGES** or incidental damages. Liability under this **BUILDER'S LIMITED WARRANTY** is limited to the amount shown on the Builder's Limited Warranty Coverage Validation Form.

WE make no housing merchant implied warranty of habitability or any other warranties, express or implied, in connection with the sales contract or the warrantied **HOME**, and all such warranties are excluded, except as expressly provided in this **BUILDER'S LIMITED WARRANTY**. There are no warranties which extend beyond the face of this **BUILDER'S LIMITED WARRANTY**.

Some States prohibit the exclusion or limitation of **CONSEQUENTIAL DAMAGES** or incidental damages by the **BUILDER**, so all the limitations or exclusions may not apply to **YOU**.

I. Coverage Limit

The amount shown on the Builder's Limited Warranty Coverage Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **DEFICIENCIES** or **DEFINED STRUCTURAL ELEMENT FAILURES** regardless of the number of claims made during the warranty period. Once **OUR** limit of liability has been paid, no further claims can be made against this **BUILDER'S LIMITED WARRANTY**.

II. Warranty Coverage

Coverage under this **BUILDER'S LIMITED WARRANTY** changes over the course of the ten year term. Section A refers to coverage provided during the first year; Section B refers to coverage provided during the second year; and Section C refers to coverage provided during the third through tenth year.

Section A Coverage

Beginning on the **WARRANTY DATE-HOME** and **WARRANTY DATE-COMMON ELEMENTS**, **WE** warrant for one year that the construction of **YOUR HOME** (including **COMMON ELEMENTS** related thereto) will conform to the **STANDARDS OF PERFORMANCE** for first year coverage and warranty tolerances for **DEFINED STRUCTURAL ELEMENT FAILURE(S)**. Coverage under Section A expires one year after the **WARRANTY DATE-HOME** and/or **WARRANTY DATE-COMMON ELEMENTS**. To be eligible for coverage **WE** must receive written notice of the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** within thirty (30) days after the expiration date of the coverage.

Section B Coverage

During the second year following the **WARRANTY DATE-HOME** or **WARRANTY DATE-COMMON ELEMENTS**, **WE** warrant that **SYSTEMS** (including the **COMMON ELEMENTS** related thereto) will conform to the **STANDARDS OF PERFORMANCE** for second year coverage and warranty tolerances for **DEFINED STRUCTURAL ELEMENT FAILURE(S)**. Coverage under Section B expires two years after the **WARRANTY DATE-HOME** or **WARRANTY DATE-COMMON ELEMENTS**. To be eligible for coverage **WE** must receive written notice of the **SYSTEMS DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** within thirty (30) days after the expiration date of the coverage.

Section C Coverage

During the third through tenth years following the **WARRANTY DATE-HOME** or **WARRANTY DATE-COMMON ELEMENTS**, **WE** warrant the construction of **YOUR HOME** (including **COMMON ELEMENTS** related thereto) will conform to the warranty tolerances for **DEFINED STRUCTURAL ELEMENT FAILURE(S)**. Coverage under Section C expires 10 years after the **WARRANTY DATE-HOME** or **WARRANTY DATE-COMMON ELEMENTS**. To be eligible for coverage **WE** must receive written notice of the **DEFINED STRUCTURAL ELEMENT FAILURE** within thirty (30) days after the expiration of the coverage.

III. OUR Coverage Obligations

All notices of **DEFICIENCIES**, **DEFINED STRUCTURAL ELEMENT FAILURES**, and complaints under this **BUILDER'S LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **BUILDER'S LIMITED WARRANTY**.

WE will have been considered to have breached this **BUILDER'S LIMITED WARRANTY** only if **WE** fail to correct a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** in accordance with the terms and conditions of this **BUILDER'S LIMITED WARRANTY**.

DEFICIENCIES

In the event a **DEFICIENCY** occurs during the applicable coverage period, **WE** will, upon receiving written notice from **YOU**, test or inspect the **DEFICIENCY** to confirm coverage for the **DEFICIENCY** within a reasonable time after **WE** receive **YOUR** notice. Upon confirmation of a **DEFICIENCY**, **WE**, **OUR** insurer, or another third party designated by **US** will repair, replace or pay **YOU** the actual cost of repairing or replacing the **DEFICIENCY**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** insurer's sole option.

DEFINED STRUCTURAL ELEMENT FAILURE

In the event a **DEFINED STRUCTURAL ELEMENT FAILURE** occurs during the applicable coverage period, **WE**, **OUR** insurer, or another third party designated by **US** will, upon receiving written notice from **YOU**, test or inspect the **DEFINED STRUCTURAL ELEMENT FAILURE** to confirm coverage for the **DEFINED STRUCTURAL ELEMENT FAILURE** within a reasonable time after **WE** receive **YOUR** notice. Upon confirmation of a **DEFINED STRUCTURAL ELEMENT FAILURE**, **WE**, **OUR** insurer, or another third party designated by **US** will repair, replace or pay **YOU** the actual cost of repairing or replacing the **DEFINED STRUCTURAL ELEMENT FAILURE**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** insurer's sole option.

IV. Coverage Limitations

When **WE** repair a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**, the repair will include the correction or replacement of only those surfaces, finishes and coverings that were damaged by the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** that were part of the **HOME** when title was first transferred by **US**.

WE will repair and replace surfaces, finishes and coverings that require removal or replacement in order for **US** to repair or replace **DEFICIENCIES** and **DEFINED STRUCTURAL ELEMENT FAILURE(S)**. The extent of **OUR** repair and replacement of these surfaces, finishes or coverings will be to approximately the same condition they were in prior to the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**, but not necessarily to a like new condition.

WE will only refinish those surfaces that were damaged by a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**.

When **WE** undertake repair on surfaces, finishes and coverings, **OUR** repair will attempt to achieve as close a match

with the original surrounding areas as is reasonably possible, but **WE** cannot guarantee an exact match due to such factors as fading, aging and unavailability of the same materials.

VI. Procedure to Request US To Perform Under This BUILDER'S LIMITED WARRANTY

If **YOU** become aware of a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** that **YOU** believe is covered under this **BUILDER'S LIMITED WARRANTY**, **YOU** have the following responsibilities:

A. Notification

Notify **US** in writing as soon as it is reasonably possible, but in no event may **YOUR** written notice be received by **US** or postmarked later than thirty (30) days after the warranty for the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** expires.

If the written notice is postmarked or received by **US** more than thirty (30) days beyond the warranty expiration date,

WE shall have no obligation to repair or replace the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**.

If the **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** involves a **COMMON ELEMENT** written notice must be made by a designated representative of the condominium association.

B. Cooperate With US

YOU must give **US**, **OUR** employees, agents, subcontractors or insurers reasonable help in investigating, monitoring or correcting **DEFICIENCIES** or **DEFINED STRUCTURAL ELEMENT FAILURES**. Help includes, but is not limited to, granting **US** reasonable access to **YOUR HOME**.

If **YOU** fail to help **US**, **WE** will have no obligation to repair, replace or pay **YOU** for **DEFICIENCIES** or **DEFINED STRUCTURAL ELEMENT FAILURES**.

C. Do Not Make Voluntary Payments

YOU agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** without **OUR** prior written approval. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain **OUR** prior written approval.

E. If YOU Disagree With US

Binding Arbitration will be the sole remedy for resolving disputes between **YOU** and **US** that arise from or relate to this **BUILDER'S LIMITED WARRANTY**. The binding arbitration procedure is described in the following section.

VII. Binding Arbitration Procedure

Any disputes between **YOU** and **US** or **OUR** insurer related to or arising from this **BUILDER'S LIMITED WARRANTY** will be resolved by binding arbitration. Disputes subject to binding arbitration include but are not limited to:

- A. **WE** do not agree with **YOU** that a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** is covered by this **BUILDER'S LIMITED WARRANTY**;
- B. **WE** do not correct a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** to **YOUR** satisfaction or in a manner that **YOU** believe this **BUILDER'S LIMITED WARRANTY** requires;

- C. **WE** fail to respond to **YOUR** written notice of a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**;
- D. Disputes related to **COMMON ELEMENTS**;
- E. Alleged breach of this **BUILDER'S LIMITED WARRANTY**;
- F. Alleged violations of consumer protection, unfair trade practice, or other statutes;
- G. Disputes concerning the issues that should be submitted to binding arbitration;
- H. Disputes concerning the timeliness of binding arbitration requests.

Any binding arbitration proceeding will be conducted by an independent arbitration organization designated by **PWC** or **OUR** insurer. The rules and procedures followed will be those of the designated arbitration organization. A copy of the applicable rules and procedures will be delivered to **YOU** upon request.

The arbitration will determine **YOUR** and **OUR** or **OUR** insurer's rights and obligations under this **BUILDER'S LIMITED WARRANTY**. These rights and obligations include but are not limited to those provided to **YOU** or **US** by local, state or federal statutes in connection with this **BUILDER'S LIMITED WARRANTY**.

The award of the arbitrator will be final, binding and enforceable as to both **YOU** and **US** or **OUR** insurer, except as modified, or vacated in accordance with applicable rules and procedures of the designated arbitration organization, or, in their absence, the United States Arbitration Act (9 U.S.C. § 1 *et seq.*)

Binding arbitration shall be the sole remedy for resolving disputes for **YOU** and **US** and **OUR** insurer. The costs and expenses for the arbitration will be paid by **US** or **OUR** insurer except for the Eighty Dollar (\$80.00) arbitration filing fee which will be paid by the party requesting arbitration. If **YOU** request arbitration and **YOU** prevail on any claimed **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** under dispute, the Eighty Dollar (\$80.00) arbitration filing fee will be refunded to **YOU**.

The process for **YOU** to initiate arbitration is described below. **WE** will use the same process if **WE** initiate arbitration.

Step 1 **YOU** complete a Binding Arbitration Request Form and mail it together with an Eighty Dollar (\$80.00) arbitration filing fee to **PWC**. A Binding Arbitration Request Form is attached to this **BUILDER'S LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received no later than 90 days after the coverage for the disputed item expires. Please Note that while **YOU** have 90 days to file for arbitration, this time period does not extend the warranty coverage period for **DEFICIENCIES** or **DEFINED STRUCTURAL ELEMENT FAILURES**. **YOU** must still notify **US** of an alleged **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE** no later than 30 days after coverage for that item expires.

Step 2 **PWC** Will Arrange the Arbitration Proceeding. The Arbitrator or arbitration organization will notify **YOU** of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at **YOUR HOME** or some other location that is agreeable to all the parties of the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

Step 3 The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, **YOU, US** and/or **OUR** insurer.

After evidence is presented by **YOU, US** or **OUR** insurer, an award will be rendered by the arbitrator. The award is final and binding on **YOU, US** and **OUR** insurer. The award will include a ruling on the existence of any claimed or alleged **DEFICIENCIES** or **DEFINED STRUCTURAL ELEMENT FAILURES** as well as any other disputed matters or issues related to this **BUILDER'S LIMITED WARRANTY**.

Step 4 **OUR** Arbitration Performance Obligations. **WE** will comply with the arbitrator's award no later than 60 days from the date of the award. However, delays caused by circumstances beyond **OUR** or **OUR** insurer's control shall be excused.

Step 5 If **WE** Fail To Comply With The Award. **YOU** should contact **PWC** at its mailing address specified in this **BUILDER'S LIMITED WARRANTY** if the arbitrator's award is not complied with in a timely manner. **PWC** will then be responsible for contacting the arbitration organization. **PWC** will establish an appropriate process to enforce compliance of the award as provided in the original binding arbitration proceeding.

VIII. General Conditions

A. Separation of This **BUILDER'S LIMITED WARRANTY** From The Contract Of Sale

This **BUILDER'S LIMITED WARRANTY** is separate and independent of the contract between **YOU** and **US** for the construction and/or sale of **YOUR HOME**. Should an appliance or item of equipment malfunction **YOU** must follow the procedures set forth in that manufacturer's warranty to correct the problem. **OUR** obligation under this **BUILDER'S LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. **WE** have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

If **WE** repair, replace or pay **YOU** the cost to repair or replace a **DEFICIENCY** or **DEFINED STRUCTURAL ELEMENT FAILURE**, or other related damage to **YOUR HOME** covered by this **BUILDER'S LIMITED WARRANTY**, **WE** are entitled, to the extent of **OUR** payment, to take over **YOUR** related rights of recovery from other people and organizations, including but not limited to, other

warranties and insurance. **YOU** have an obligation not to make it harder for **US** to enforce these rights. **YOU** agree to sign any papers, deliver them to **US**, and do anything else that is necessary to help **US** exercise **OUR** rights.

E. General Provisions

1. If any of the terms or provisions of this **BUILDER'S LIMITED WARRANTY** conflict with the statutes of the state in which this **BUILDER'S LIMITED WARRANTY** is issued the warranty is amended to conform to such statute, except insofar as the terms and provisions are governed by the United States Arbitration Act.
2. If a court of competent jurisdiction deems any provision of this **BUILDER'S LIMITED WARRANTY** unenforceable, that determination will not effect the remaining provisions.
3. This **BUILDER'S LIMITED WARRANTY** is to be binding on **YOU** and **US** and, as respects the arbitration process, on **OUR** insurer. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.

Please note that damage that **YOU** cause or **YOU** made worse by **YOUR** negligence, improper maintenance or improper operation is excluded by this **BUILDER'S LIMITED WARRANTY**.

The choice as to the scope of repair, the repair technique, or replacement versus the cost of repair, or replacement is **OURS** alone. Type of Material or area of YOUR HOME	Specific item or work	DEFICIENCY or Condition	Years Covered	OUR responsibility	YOUR Responsibility
A. Site Work	1. Site Grading a. settling of ground around foundation, utility trenches or other filled areas does not allow water to drain away from home 2. Site Drainage a. improper drainage of the site	1 1	<p>WE will fill excessively settled areas which affect the proper drainage. WE will do this only during the first year.</p> <p>WE will establish the proper grades and swales (sloped low areas) for water to properly drain away from the HOME. Where lot lines permit, the protective slope will be 6 inches in 10 feet around the foundation. Water will not stand or pond in crawl spaces. Water will not stand or pond within 10 feet of the HOME for extended periods after a rain (usually not more than 24 hours). For swales which drain other areas or where sump pumps discharge; a longer time is not unusual (48 hours). It is normal for water to stand after a heavy rainfall. WE will not make grading or ponding determinations while there is frost or snow on the ground, or while the ground is saturated or frozen.</p>	Remove and replace shrubs, sod or other landscaping affected by the placement of the fill. Insure established drainage patterns are not impeded by landscaping, decking, patios, pools, driveways, walls, etc. which YOU install. Maintain the grades and swales after they have been properly established by US . Where a sump pit has been installed by US but the sump pump was not contracted for or installed by US , YOU must first install a properly sized pump to determine whether this will correct the condition.
